

Gothenborg Tango Association (GTA)

Annual Report 2020

Dear Members,

The year 2020 has seen the foundation of our association on August 4th, 2020. It was followed by the registration of our association with the relevant authorities.

All basic paperwork has been finalized and our association has been given an organization number by the tax office and can now be officially found in the association registry.

GTA was founded with 3 initial members. That number has not changed until December 31st, 2021.

Activities

GTA has established a Website and Facebook Page to promote GTA's activities.

Planning for GTA's first major event, the Gothenburg Tango Marathon in August 2021 is well underway. Venue, DJs and Orchestra for the event have been confirmed and the board is in the final stages to determine the overall budget for the event.

While more activities in 2020 were envisioned, unfortunately due to the Covid pandemic, we have only been able to do 2 seminars with Tango Master Sigrid van Tilbeurgh. The seminars were very well received by most of its participants, and we are looking forward to more seminars in 2021.

Financial

GTA had 2 sources of funding in 2020. The annual membership fee of 500KR per member (1500KR total) and a surplus from the Sigrid seminar Weekend.

We ended the year 2020 with 3024 KR in Cash. With provisions made for VAT and WebServer still to be paid.

Detailed Income/Expense Report and Budget overview for 2020 can be found in the attachment.

Gothenburg, 22.01.2021

Chairman GTA
